

Rangotsav Celebration
Organization For National Level Art Competition
Mumbai-Maharashtra

Aao Duniya Rangeen Banaye

(Class Nursery – Class X)

Objective: To instill confidence, encourage creative thinking, develop presentation skills, discover hidden talents as well as develop expertise in the field of art.

Dear Parents,

We, at RIMS International School, Undri, would like to invite your child to participate in the interschool competition **Rangotsav Celebration 2023 - A National level Art Competition** for students from grades Nursery to X. The challenge is to bring out the artistic and creative potential of the students.

The total awards and rewards in the challenge is Rs. 1 crore - which includes Golden fist award and special kind awards for winning students and best performing schools.

Details:

The participation fee is Rs. 50/- only per competition (Your child can participate in more than one competition). Last date of fee submission to the class teacher is 17 August 2023

- Selected finalists will get trained by our art department to enhance their imagination, creativity and develop expertise.
- Competitions would be conducted in the school premises in the last week of August.
- Encourage the child to participate in the First-of-its-kind National Level Competition that emphasizes on creativity, precision and imagination.
- They get recognized for the skills they possess other than academics on a National scale.
